

The McClain Family

Missionaries to Thailand

Dear Pastor and praying friends,

September 2026

We rejoice in being able to update you all about what all has happened in the last few months in our family and in the Lord's work here in Thailand.

First off we want to thank you so much for your prayers, support, unexpected love offerings, cards, and emails! And we rejoice that our Lord Jesus Christ answered all our prayers and showed His marvelous grace and mercy to us in guiding the doctors and allowing our youngest daughter to have a successful medical procedure this past August, and she is doing great! We praise the Lord so much for this!

We also praise the Lord that both our daughters were able to get their US driver's license, because they are going to need to do internships and will be needing to be able to drive. With this if anyone has knowledge or knows someone that has knowledge about how to find a good reliable used car, please contact me.

Even though our time in the US went by like a whirlwind, we thank the Lord that we safely arrived back here in Thailand this past September 2nd, and were able to get caught back up on many things here, and were able to renew our visa and work permit for another year!

We praise the Lord that He has been answering our prayers! Almost every Sunday for the last couple of months, we have had at least one first time visitor or someone who has not been to Lanna Baptist Church in a long time, come to the church meetings. Please pray that these people will allow the Word of God to take root in their soul and bear fruit of His holiness and righteousness, because many people think their lives should automatically be better because they came one time!

We do thank the Lord that not all are like this, and 6 of these new visitors have been coming almost every week, but this has not been without opposition, mostly from their unsaved family.

One of these reminds me of the people in Athens that were always searching or wanting to know something new. Please pray with us that they will not only get head knowledge, but will agree with the working of the Holy Ghost that they are a sinner and need to be born again.

If you remember the family, I have mentioned in our last couple of prayer letters that said they wanted a church started in their community, sadly for now they have chosen to follow their experiences and the teachings of men and not the Word of God, but we are rejoicing that his youngest brother is saying he's going to continue walking according to what he has learned from our Lord through His Word! According to his testimonies, the Lord Jesus has helped him get the victory over many things in his life, that before he could not get free from! And he thanks the Lord that his brother and nephew challenged him to come with them to Lanna Baptist Church, because he has grown so much closer to our Lord Jesus Christ.

Please be in prayer as our team are contacting schools to see if they will let us come and do a Christmas program during December. We praise the Lord that 3 schools have already scheduled us to come! But we are asking the Lord to get us into more than this and our team has contacted one of the prisons to see if they will let us come also.

We are also praying that this will open the door for future ministry opportunities with these schools and the prison.

Also our girls have recruited 4 of their Bible College classmates to come help us with this. Plus one of their parents is having her brother come also, so as of now there are a total of 5 coming over here with our daughters.

Please pray with us that the Lord will bless their travels and these Christmas programs which will be the first time many of these students and teachers have ever heard the real reason why there is Christmas.

Additional things to pray along with us: For the people we witness to each week will decide to repent and receive our >>

The McClain Family

Missionaries to Thailand

Lord Jesus Christ, as their personal Saviour and only God and will faithfully serve Him!
 For the brethren here to grow in their relationship with our Lord and will faithfully serve Him!
 For the Lord's continued provision in wisdom, health, safety, and care of the ministry and our family!
 For the Lord's continual help with our two daughters US Bible College studies, and that they will allow Him to build them up in every area of their life, so they can help others come to know Him as their Lord and Saviour and serve Him!
 That the Lord will help us find a really good reliable car for our girls at the right time.

<<< Pray for this teenager and those that heard our conversation. The mother of one of the church members died and this teenager decided to be a novice monk to in their belief system help make merit for her. We got to the funeral before it started and he started asking me questions about Christianity. So I took the opportunity to answer his questions and explain the gospel to him and those around us.

Up top the older teens at our last youth rally.
